SUMMARY

Sixth-semester Informatics student at Andalas University (GPA 3.92) specializing in AI, Web Development, and Data Science. Experienced in mentoring, project facilitation, front-end development, and leadership across faculty programs, scholarship projects, and student organizations. Seeking an internship opportunity in Web Development, Data Science, or AI Engineering to apply academic knowledge in a professional environment. Skilled in coordinating teams and stakeholders, providing strategic guidance, and delivering measurable outcomes.

EDUCATION

Bachelor of Informatics **Aug 2023 - Present**

Universitas Andalas

- Major in AI and Data Science | GPA 3.92
- Relevant Coursework : Web Development, Machine Learning, Data Science

TECHNICAL SKILLS

- Programming : Python (basic), Java (basic), PHP (basic)
- Web Development : HTML, CSS, Bootstrap 5, Laravel Framework, Flutter (basic)
- Tools & Platforms : Git, APIs, VS Code, Microsoft Office, Google Workspace
- Languages: Indonesian (Native), English (TOEFL ITP : 500)

PROJECTS

Emotion Analysis System, Big Data Project **Dec 2025**

Academic Project

- Independently built and deployed a text-based emotion analysis web app using Streamlit, with Linear SVM as the best model (94.43% accuracy) trained on 393,822 samples.
- Handled the full pipeline: data preprocessing, model training, evaluation, and deployment.

Weather Forecasting App, Big Data Project **Nov 2025 – Dec 2025**

Academic Project

- Built a weather forecasting app with a team of 5 using Random Forest Regressor on 96,453-row dataset (12 variables), achieving MAE: 0.023, RMSE: 0.096, R²: 0.998.
- Contributed to data preprocessing, model evaluation, front-end integration, and deployment

ADIN (APLIKASI DIGITAL NAGARI), Community Service Project, Dept. Of Informatics **May 2025 – Nov 2025**

Academic Project

- Developed the front-end of a village digital administration web application using PHP and Bootstrap 5, deployed to serve a real community (nagari).
- Collaborated in a small team of 2 to deliver a fully functional web system from development to deployment.

Mengdesignt.id, MSME Web Developer Matching Platform **May 2025 – Nov 2025**

Bakti BCA Scholarship Project

- Served as Facilitator/Liaison between MSME clients and the development team.
- Coordinated requirements gathering, workflow, and delivery between stakeholders and programmers.
- Ensured platform features met client needs throughout the project lifecycle.

Laboratory Website, Programming & Informatics Laboratory **Sept 2024 – Nov 2024**

Academic Project

- Developed the official laboratory website for faculty events using HTML, CSS, and Bootstrap 5.
- Integrated event information and maintained the site for ongoing faculty use.
- Collaborated with the lab team to ensure accuracy and performance of the site.

ACADEMIC & PROFESSIONAL EXPERIENCE

Teaching Assistant, Data Structures and Algorithm **Apr 2026 – Present**

Universitas Andalas

- Reviewed practical coding assignments for approximately 40 students across 3 classes.
- Supervised lab sessions and provided constructive feedback to students.
- Assessed assignments and practical reports to ensure learning objectives were met.

MUHAMMAD GALID AVERO

Lab Assistant, Operations Division Coordinator, Programming & Informatics Laboratory Aug 2023 – Present
Universitas Andalas

- Developed the laboratory website for faculty events (HTML, CSS, Bootstrap 5).
- Maintained lab equipment and resources for daily operational needs.

Accreditation Team Member, ACQUIN International Accreditation Sept 2025 - Feb 2026
FISIP, Universitas Andalas

- Translated and proofread 20+ documents for the ACQUIN international accreditation process.
- Designed and formatted 30+ document layouts for accreditation submission.

Person in Charge, Bakti BCA Scholarship, Andalas University Scholarship Fair May 2025
Bakti BCA Scholarship

- Coordinated the Beasiswa Bakti BCA event with university leadership and BCA teams.
- Served as 1 of 3 speakers presenting the scholarship program to 100+ attendees.

LEADERSHIP & ORGANIZATIONAL EXPERIENCE

Chairperson, Advisory Board, Informatics Student Association (HMIF) Jul 2025 - Present
HMIF, Universitas Andalas

- Lead an 8-member advisory council overseeing organizational activities and governance.
- Conduct monthly meetings with the executive board to discuss organizational dynamics.
- Provide strategic guidance and recommendations for HMIF programs and future initiatives.

Group Leader, B2 Group, Bakti BCA Scholarship Jan 2025 - Dec 2025
Bakti BCA Scholarship

- Led the top-performing group from Andalas University, selected to represent in the National Qualification Round.
- Selected as 1 of 5 national representatives from Andalas University out of 30 scholarship recipients.

Staff Member, Public Relations & Mentor, BAKTI FTI UA 2025 May 2025 - Nov 2025
FTI, Universitas Andalas

- Coordinated communication with faculty leadership and other divisions.
- Guided and mentored 17 new students in the Faculty of Information Technology.
- Led mentored group to become the top-performing group among 280+ peers.

Event Coordinator, FESTIKA 2025 Oct 2024 - May 2025
FTI, Universitas Andalas

- Led high school outreach events, delegated tasks, and monitored team progress.
- Coordinated concept, schedule, and execution ensuring timely and goal-aligned delivery

Staff Member, Human Resources & Development Division, HMIF Jul 2024 - Jul 2025
FTI, Universitas Andalas

- Conducted cadre training programs for 50 new Informatics students.
- Awarded Staff of the Month (May 2024).

Expert Staff, Research & Strategic Action Unit, Student Executive Board FTI Jan 2024 - Dec 2024
FTI, Universitas Andalas

- Conducted research and produced 5 publications on politics and economics.
- Prepared internship activities for 20+ student interns.

Staff Member, Public Relations, TECHNOFEST 2024 May 2024 - Nov 2024
FTI, Universitas Andalas

- Coordinated direct school outreach to invite participation in competitions.
- Contacted judges and ensured clear communication between judges and the committee

Staff Member, Consumption Division, LKMM-TD FTI UA 2024 May 2024 - Sept 2024
FTI, Universitas Andalas

- Communicated with vendors to provide food and beverages for 350+ participants.
- Coordinated with other divisions to ensure equitable distribution to all participants.

CERTIFICATIONS & AWARDS

- Neural Network & Deep Learning by DeepLearning.AI, Coursera
- Flutter & Dart: Complete App Development, Coursera
- Foundations of Project Management & Project Initiation by Google, Coursera
- Financial Literacy Education by PT Bank Central Asia Tbk (BCA)
- Runner-Up Photography Competition 2023 – Cybertech, Padang State Polytechnic
- Bakti BCA Scholarship Recipient 2025

SOFT SKILLS

Leadership, Teamwork, Collaboration, Time Management, Communication, Initiative, Responsibility, Problem Solving, Critical Thinking
